The restarting of school will provide challenges for us as a school and I ask for your patience as we try to make the "New Normal" as normal as possible for your child/children. I have no doubt that the staff and parents will work together to make the return to school as safe, and as enjoyable, for the pupils as possible.

In the words of our school prayer

*" May we all work together to make this school a place where we care for one and other."*

All the staff are really looking forward to seeing the children when they return.

Stay safe and stay well

Enjoy the rest of your summer

Mr L. McCloskey
